PROPOSED PROJECT NAME:

Bridge Global Schools

SUMMARY / BRIEF DESCRIPTION ABOUT THE PROPOSED PROJECT

Every school has their own traditions, values and code of conduct. It promotes responsibility, respect, courtesy and academic excellence in learning and teaching environment. It is interesting to explore it.

The aim of this project is getting to know life in school in 5 aspects and they are:

1. Arriving at school
2. Daily life in school
3. School Regulations
4. Schooling Curriculum and
5. School Festival of the participating schools.

The project coordinator will create a Webbased Project and Weblog. The Weblog contains some interactive part such as: discussion board, 5 aspects topics, and schools scene around the world. A teleconference will be used for connecting students from Asia and Europe as well.

RATIONALE FOR THE PROJECT:

As the world becomes global so how to bridge global schools together? School issues are expected to bring about with lively video clips. Students will be expected to do some research work, express their views and reflect on others' views, conduct surveys and learn from each other.

Objectives of the project:

1. To exchange views and share their experiences and ideas using different ICT tools.
2. To develop higher thinking along with cross cultural development.
3. To share best practices among schools and learn from each other.
